Parent Guide to Funding

FAQ's

What is early years funding?

Early years funding is provided by the government to support families in accessing childcare.

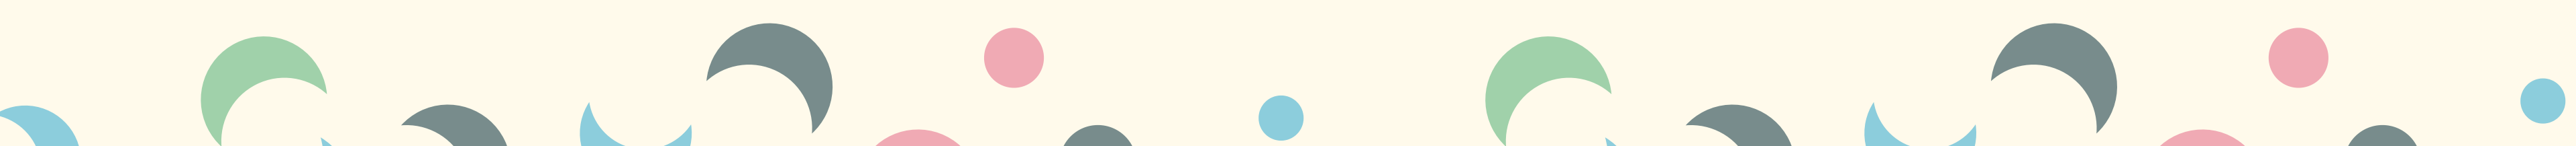

What types of Funding are there?

We currently offer 2 types of funding:

Universal (15 hours) funding for all children over the age of 3. You do not need to apply for this, but you will still have to fill out a parent declaration form to claim your funded hours.

We also offer Extended funding (30 hours) for children over the age of 9 months.

You will need to apply for this funding ahead of your child starting nursery.

Parent Guide to Funding – FAQ's Continued

What does the funding cover?

The government funding is intended to cover to the basic cost of Childcare. The government funding does not cover the cost of consumables, food and activities. Therefore, there are some voluntary charges that cover your child's meals, consumables or activities.

What charges can I expect?

The total numbers are on our website:

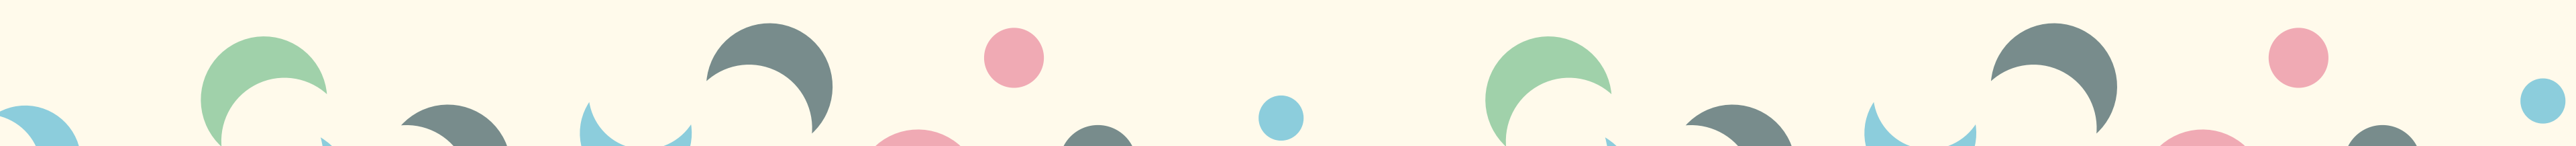

<https://bemedaynurseries.co.uk/be-me-day-nurseries-fees/>

There is detailed information in this information pack that shows you exactly how the charges are broken down.

Please bear in mind that we operate 5 sites, in 2 different council funded areas, so please make sure that you are looking at the correct information for your preferred branch and local authority.

Registration Fee

Our £250 registration fee will still be due for any funded places that include private hours. If you have a fully funded place, your £250 will be a deposit to be returned to you once your child starts nursery.

Parent Guide to Funding – Charges

Voluntary Charges, what are my choices?

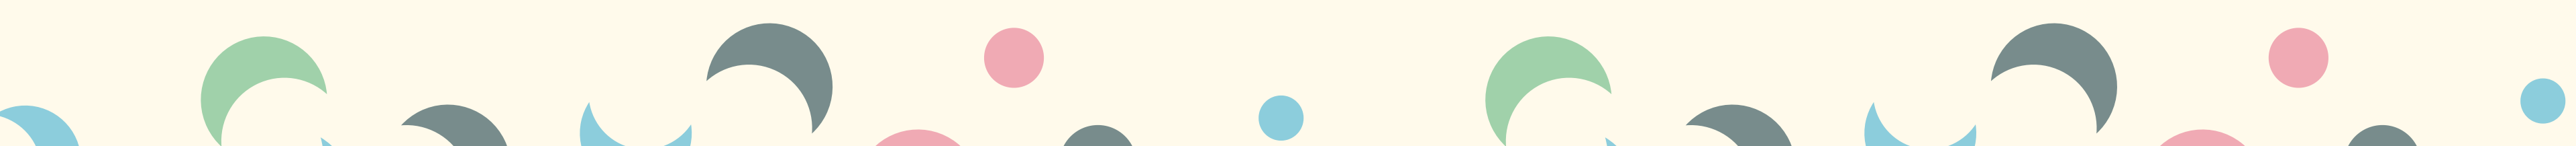

At Be Me Day nurseries, our Ethos is that every child that attends our nurseries is provided with the very best experience, which includes access to our delicious nutritionally balanced meals, our wonderful array of extra curricular activities and also all of the consumables required to make the parents and children's day easier. The additional charges for Food, Activities and Consumables are voluntary and we would ask that you pay them if you can.

By paying these charges you are helping us to provide more fully funded places, improving the social inclusivity of the nursery and providing crucial educational opportunities for families less fortunate than yourselves.

If you are unable to pay the voluntary charges, please let our bookings team know and we can arrange for a fully funded place. Fully funded places are subject to availability.

Our aspiration is that we can offer fully funded places to any children that require them on their preferred days, but please be aware that we may ask you to include a Friday in your booking.

Our aspiration is also that we will continue to offer fully funded places to all children that need them, and continue to support those children until they leave for primary school. However we reserve the right to give one terms notice to either amend a booking, or cancel a fully funded place.

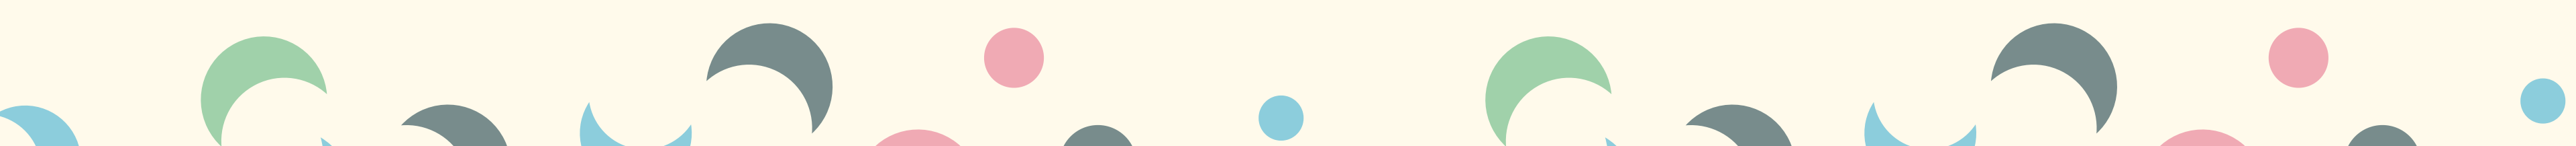

Parent Guide to Funding – FAQ's Continued

How do I Apply?

You can apply for the funding online here: <https://www.gov.uk/free-childcare-if-working>

Eligibility

Children are eligible from the start of the next term once they are 9 months old, provided parents are working, and neither is earning over £100,000. Terms start in January, April and September. For full details on eligibility, please visit the government website here: <https://www.gov.uk/free-childcare-if-working/check-youre-eligible>

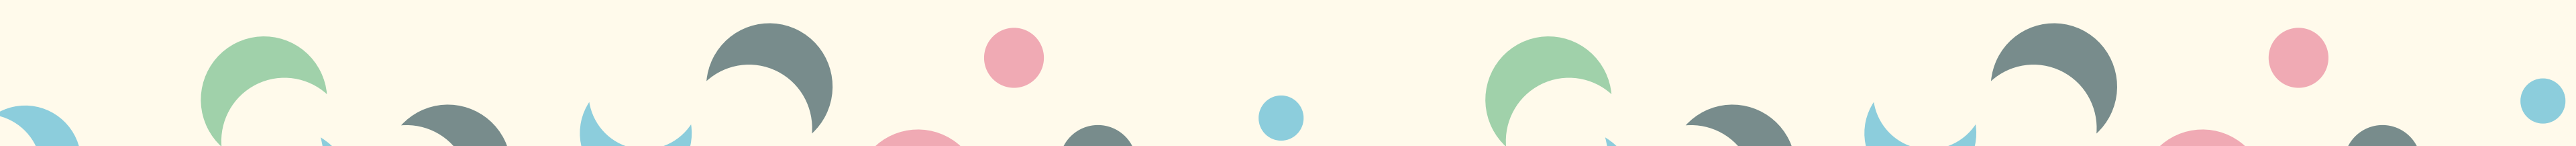

Parent Guide to Funding – FAQ's Continued

How much funding is my child eligible for?

You can access up to 30 hours per week for 38 weeks of the year. Funding is available from the start of term after your child turns 9 months / 2 Years old / 3 Years old. Term starts are Jan/April/Sept.

We can only claim a maximum of 10 hours per day, so customers with a 2 day booking will not be able to claim the full amount of funding. Any additional private hours may be chargeable.

Parent Guide to Funding – FAQ's Continued

What is a stretch offering?

We operate a stretch offering, as we are open 51 weeks of the year, rather than 38. So your funded hours are stretched over 12 months so that your fees remain consistent. This does mean that the amount of hours that you can claim per week does reduce:

Universal (15 hr funding) – 15 Hours x 38 weeks = 570 hours per year

570 hours per year / 12 months = 47.5 Hours per month or 11 hours per week.

Extended (30hr funding) 30 Hours x 38 weeks = 1140 hours per year

1140 hours per year / 12 months = 95 hours per month or 22 hours per week.

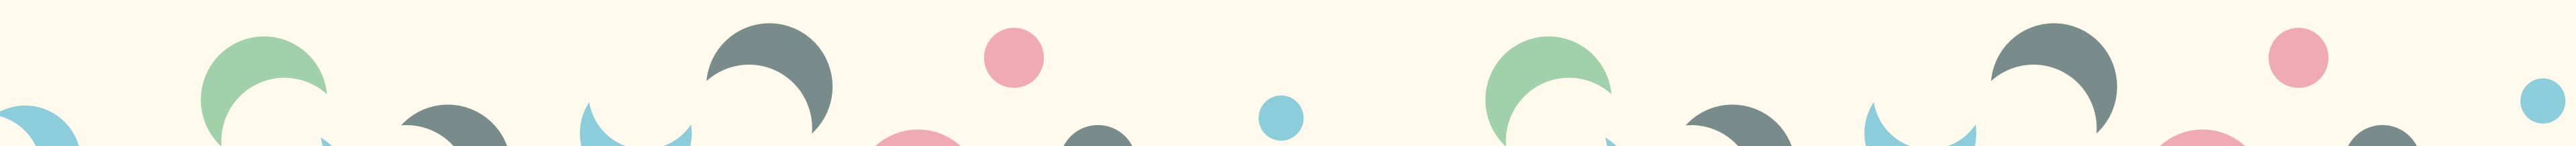

For 15 hour funding you can only claim 11 hours per week.

For 30 hours funding you can only claim 22 hours per week.

Customers with a 2 day booking can only claim 20 hours maximum as we are limited to 10 hours per day. Additional private hours may be chargeable.

Can I split my childcare between providers?

Yes you can split your funded hours between multiple childcare providers. Please ensure that you calculate the correct number of hours based on the maximum stretched hours of 11/22 per week.

Parent Guide to Funding – FAQ's Continued

When do the fees change?

Your additional charges will change at the start of term following your child's 2nd or 3rd birthday. Terms start in January, April and September. Please ensure that you have looked at the charges that will apply from this point in time.

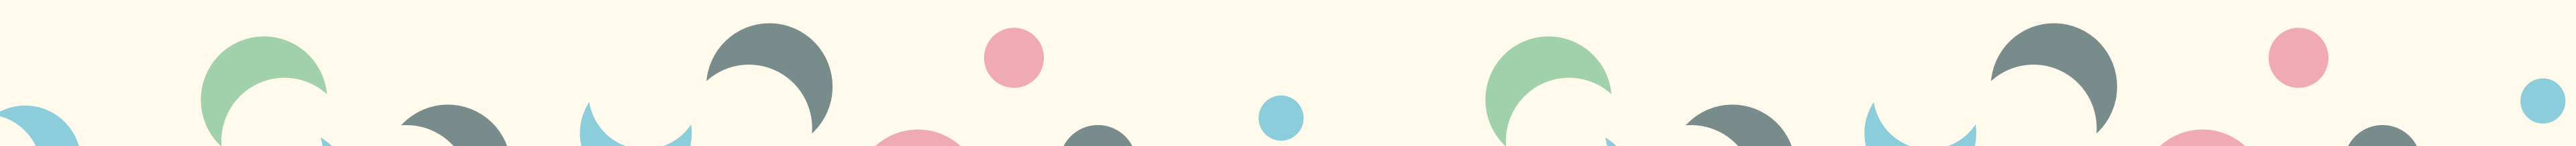

Reconfirming your eligibility

You are required to re-confirm your eligibility online every term, any interruption in the support received due to failure to re-confirm will be chargeable at the normal private hours rates.

Your funded invoice has been created in line with government guidelines to clearly display all charges. If you have any questions about your invoice, please contact finance@bemedaynurseries.co.uk

Part 1

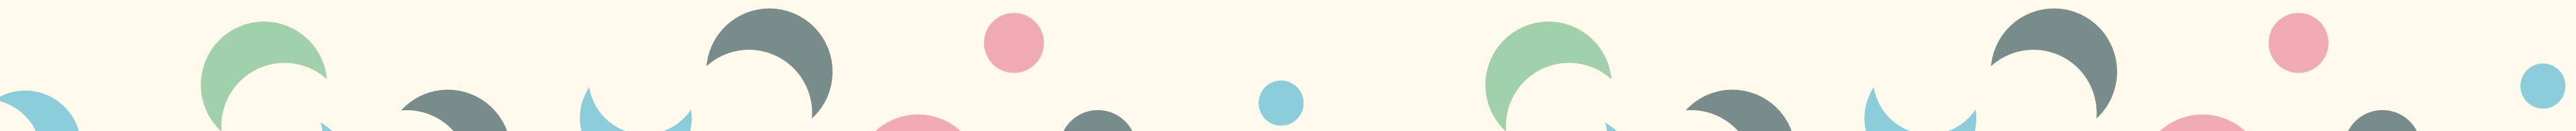

Shows you how many hours your child attends on each day of the week, how many hours are funded, and how many hours are charged privately. It also shows you the weekly price for the day. The maximum funding that we can claim for one day is 10 hours. We stretch our funding, so the maximum number of hours claimable per week is 22.

Part 2

As well as showing your weekly chargeable hours (The total of part 1), part 2 shows you the voluntary charges that you are paying for food, activities and consumables. You will either have a half day amount or a full day amount for these items. This gives you your weekly subtotal at the bottom.

Part 3

Your charge for the whole month (4.25x the weekly total)

Total for Test Ridgmont				£928.24

Your funded invoice has been created in line with government guidelines to clearly display all charges. If you have any questions about your invoice, please contact finance@bemedaynurseries.co.uk

Part 1

Shows you how many hours your child attends on each day of the week, how many hours are funded, and how many hours are charged privately. It also shows you the weekly price for the day. The maximum funding that we can claim for one day is 10 hours. We stretch our funding, so the maximum number of hours claimable per week is 22.

Part 2

As well as showing your weekly chargeable hours (The total of part 1), part 2 shows you the voluntary charges that you are paying for food, activities and consumables. If you have 2 different amounts, it's because the charges are pro-rated for the number of funded hours in that day. In this example, the £3.56 is applied to the day where 10 hours of funding are applied and the 71p is applied to the day where only 2 hours of funding is applied. This gives you your weekly subtotal at the bottom.

Part 3

Your charge for the whole month (4.25x the weekly total)

Additional Charges are split evenly between Food, Consumables and Activities

- Invoice subtotals are now calculated weekly, as Family does not support monthly funding calculations. This may lead to some small rounding discrepancies vs current amounts. Your invoices will continue to be charged once per month.
- Fees and Charges have been calculated such that our customers pay the same as they were paying previously
- Voluntary Charges are split evenly between Food, Consumables and Activities
- Please email any invoice queries to finance@bemedaynurseries.co.uk
